Dr. J. Stickle,
GRATEFUL for the patronage that he has
heretofore received, would inform his friends
and the public generally that he continues the
practice of his profession in its various branches,
and from his extensive experience, in the treatment
of all the diseases peculiar to this country, and hav-
ing scrutinized closely the effects of remedial agents
on the human system, under the influence of a bilious
atmosphere, he flatters himself that he is able to
treat the various diseases of the Illinois Valley on
those principles of science and philosophy which,
in almost every case, must insure success.
He would also state that he is prepared to treat
chronic diseases, such as the various forms of
Neuralgia, Scrophula, and Enlarged Spleen, on a
new plan, which has proven successful in an emi-
nent degree.

FARRELL'S
FEVER AND AGUE DROPS.

THESE DROPS are a certain, quick, and perma-
nent Cure for Fever and Ague. It is
certainly a matter of the greatest importance
to obtain a Medicine which can be relied upon in the
Cure of that distressing Disease, called the Fever
and Ague.

A Medicine, bearing the above name, is now
offered to the public, as a safe and certain Cure
for that Disease, in all its various forms—this
confidence has been produced by experience in
more than one thousand cases.

It is composed of articles well calculated to
restore harmony of action between the Stomach,
Liver, and other important organs; the loss of
which is evidently the immediate cause of the
Disease.

It speedily promotes a healthy and regular ap-
petite, which affords vigor and strength to the
whole system.

It also, by improving the Digestive Organs
can be used successfully in Dyspepsia, Depraved
Appetite, Night Sweats, Dysentery, &c. &c.
But it is in the cure of the Fever and Ague, that
its superior qualities are most abundantly dis-
played, and by all who have used it, is pronoun-
ced sovereign to all other remedies. It has posi-
tively never been known to fail in a single
instance.

Hundreds of certificates might be adduced here
in testimony of its efficacy: we have only finally
to say, that all who use two bottles of this Medi-
cine (although in most cases one will answer),
according to directions, and do not realize a Cure,
will have their money refunded. Price \$1 per
bottle.

Manufactured and sold by the gross, dozen, or
single bottle, by Farrell & Lippincott, Druggists,
Peoria, Illinois, and for sale at the Drug Store of

Hay's Liniment.

NO FICTION.—This extraordinary chemi-
cal composition, the result of science and the
invention of a celebrated medical man, the intro-
duction of which to the public was invested with
the solemnity of a death bed bequest, has since
gained a reputation unparalleled, fully sustaining
the correctness of the lamented Dr. Gridley's last
confession, that "he dared not die without giving
to posterity the benefit of his knowledge on this
subject," and he therefore bequeathed to his
friend and attendant Solomon Hay's the secret of
his discovery.

It is now used in the principal hospitals, and
the private practice in our country, first and most
certainly, for the cure of the Piles, and also so
extensively and effectually as to baffle credulity,
unless where its effects are witnessed. Externally
in the following complaints:

For Dropsy.—Creating extraordinary absorption
at once.

All swellings.—Reducing them in a few hours.
Rheumatism.—Acute or Chronic, giving quick
ease.

Sore Throat.—By cancers, ulcers or colds.
Croup and Whooping Cough.—Externally,
and over the chest.

All bruises, sprains and burns, curing in a few
hours.

Sores and Ulcers.—Whether fresh or long stand-
ing, and fever sores.

Its operations upon adults and children in re-
ducing rheumatic swellings, and loosening coughs
and tightness of the chest by relaxation of the
parts, has been surprising beyond description.
The common remark of those who have used it in
the Piles, is "it acts like a charm."

For sale by E. Dewey, Apothecary's Hall, and
S. Sawyer, Dearborn street Chicago.

LOOKOUT FOR IMPOSITION.
A base attempt has been made to imitate Hay's
Liniment, and infringe upon the copy and other
rights of the proprietors. Never buy Hay's Liniment
unless it has a splendid engraved wrapper, and
the written, mind written signature of com-
stock & Co.

All others must be impositions. Any person ven-
ding any other article, by the name of Hay's Liniment,
either at wholesale or retail, will be prosecuted
for a violation of our copy right. The oath
of Mr. Hay may be found copied on our inside
wrapper, assuring that no other person knows
any of the component or essential parts of this Liniment—and that he will not reveal the secret for
twenty years.

Oldridge's Balm of Columbia.
THE HUMAN HAIR.—Where the hair is
observed to be growing thin, nothing can be
more preposterous than the use of oils, grease, or
any fatty matter. Their application can only be
recommended through the grossest ignorance, as
they hasten the fall of the hair, by increasing the
relaxation of the skin. When there is a harsh,
dry, or contracted skin, and where the small blood
vessels which carry nourishment to the bulb are
obstructed, then the oils, &c., may be good, as
they tend to relax the skin; but alone, they are
of no avail. There must be a stimulus, to rouse
the vessels from their torpor, and quicken the cur-
rent of the blood.—Extract from Oldridge's
Treatise on the hair.

The Balm of Columbia is the only preparation
that can have that effect, being entirely free from
any oily substance. Its positive qualities are as
follows:

1st.—For infants, keeping the head free from
scurf, and causing a luxuriant growth of hair.
2d.—For ladies after child-birth, restoring the
skin to its natural strength and firmness, and
preventing the falling out of the hair.
3d.—For any person recovering from any debility
the same effect is produced.

4th.—If used in infancy till a good growth is
started, it may be preserved by attention to the
latest period of life.

5th.—It frees the head from dandruff, strength-
ens the roots, imparts health and vigour to the
circulation, and prevents the hair from changing
colour or getting gray.

6th.—It causes the hair to curl beautifully when
done up in it over night.

7th.—No ladies' toilet should ever be made with-
out it.

8th.—Children who have by any means contract-
ed vermin in the head, are immediately and per-
fectly cured of them by its use. It is infallible.

A CASE IN POINT.—I had unfortunately lost
nearly all the hair from the top of my head,
when I commenced the use of the Balm of Colum-
bia, and have, by the use of two bottles, had my
head covered with a new growth of hair. There
can be no mistake in the matter, as any of my
friends can see by calling on me. I had also be-
come quite gray, but had the gray hairs plucked
out, and it has grown in, as the Balm says, of the
natural colour. If any body doubts these facts,
let them call upon me and see. I bought the Balm
of Comstock & Co., 2 Fletcher street.

A. RINDGE,
No. 19 Counties Slip, Agent of Detroit Line,
New-York, Nov. 2.

THE LATE MAYOR of Philadelphia has
certified under seal of the city to the character of
several divines, physicians, and gentlemen of high
standing who declare positively under their own
hands (all of which may be seen at the Office)
that the Balm of Columbia is not only a certain
preervative, but positively a restorative of the
human hair; also, a cure for Dandruff. Who
all at dispute, or who go bald!

TO THE INCREDULOUS.—New York, Sep-
tember 28th.—I have been entirely bald during
13 years, and have now, by the use of the genu-
ine Balm of Columbia, my head covered with fine
hair. I shall be happy to convince the most in-
credulous, who will take the trouble to call at my
house. I have bought the article of Comstock &
Co., 2 Fletcher street.

J. P. SCHMIDLING,
47, Attorney st.

A young gentleman of 388 South Market street,
Albany, had very coarse, stiff, and straight hair,
all of which he lost by its falling out. He has
used 2 bottles of Balm of Columbia from Comstock
& Co., and now has a full flowing crop of very
long, fine hair, which curls most beautifully! His
father, who is one of the most respectable citizens
of that city, is referred to for the fact.

Mr. Lewis Millard, of Butternuts, Otsego coun-
ty, had lost his hair, and had it fully restored by 2
bottles of the Balm. In fact the cures are so num-
erous that it is quite out of the question to refer to
one in a hundred of those who have experienced
the like effects.

BEWARE!!—Some counterfeiters have at-
tempted to imitate this article. Let it never be
purchased or used unless it have the name of L. S.
Comstock on a splendid wrapper. This is the
only external test that will secure the public from
deception.

CROUP, COUGH, ASTHMA.

**SPITTING OF Blood, Hooping Cough, and all
Pulmonary Diseases** cured by JAYNE'S EX-
PECTORANT, and Summer Complaints, Chol-
era Morbus, Diarrhoea, Dysentery, and all the
various affections of the Stomach and Bowels re-
moved by his CARMINATIVE BALMAM.
Please read the following letter J.

Darlington, Beaver County, Pa. }
February, 1839. }

Dear Sir—I feel it due to you as the inventor
of the medicine and to the public, who may be
greatly benefited by it, to state a cure that was
performed in my family, by the use of your "Car-
minative Balmam."

My little son, when about two months old, was
seized with a hooping complaint, caused, as I sup-
pose, by a change of diet. It continued for two
weeks without intermission, and notwithstanding
the remedies prescribed by a respectable physician,
we gave up the child a victim, as we supposed, to
a fatal disease, but I providentially heard of
"Jayne's Carminative," as an effectual cure for
hooping complaint, and immediately despatched a
messenger to a town seventeen miles off for a bot-
tle. By the use of this medicine, in less than
thirty six hours the disease was checked; and by
its continued use for a few days the child was
restored to perfect health. Shortly after this,
there occurred a similar case in one of the fami-
lies of my congregation; I prescribed "Jayne's
Carminative," and the result was a speedy cure.
From a knowledge of the efficacy of your medi-
cine in bowel complaints, a disease to which
children are constantly liable, I have obtained and
keep constantly in the house, a quantity of the
"Carminative."

The same child, owing to exposure, when recent-
ly coming up the Ohio, was attacked by the
horrible malady: CROUP. We landed in the
night at Beaver Point, and when our fears were
alarmed, lost the hoarse sepulchral cough was the
forerunner of death, we gave him a teaspoon full
of the "Expectorant," (a bottle of which you pre-
sented me with when in Philadelphia) and applied
some liniment to the throat and breast, and be-
fore many minutes the hoarseness was gone, the
child breathed freely and slept sweetly. Owing
to these circumstances it cannot be wondered at
why I have so high an opinion of Dr. Jayne's
medicine, and why I advise every family to keep
it on hand ready for any emergency.

Respectfully yours,
ARTHUR B. BRADFORD,
Pastor of the Presbyterian Church, Darlington,
Pa.

Dr. D. JAYNE.

Lambertville, N. J., April 27th, 1839.

Dr. JAYNE.—Dear Sir.—By the blessing of God
your INDIAN EXPECTORANT has effected a
cure in me of a most distressing complaint. In
December last, I was seized with great severity
by a Paroxysm of Asthma; a disease with which
I had been afflicted for many years past. It was
attended with a hoarseness and soreness of the
lungs and throat, together with a laborious cough,
and complete prostration of strength, and when
almost worn out with suffocation, a bottle of your
Expectorant was sent to my house. At first I
thought it was nothing but quackery, but seeing it
so highly recommended by Dr. Geising, with
whom I was well acquainted, I was induced to try it,
and in a few days it completely cured me, nor
have I ever had any return of the disease since.
I have now formed so high an opinion of your
medicine, that if I had but a few bottles of it, and
could obtain no more, I would not part with them
for ten dollars each.

Yours, most respectfully,
JOHN SEGER.
Pastor of the Baptist Church at Lambertville.

PHILADELPHIA, June 9th, 1838.

To my personal friends.—I would say, that I
am well acquainted with David Jayne, M. D.,
and know him to be a respectable Physician and
Druggist of this city—a gentleman in whom en-
tire confidence may be placed. I have tested in
my own case the beneficial effects of his CAR-
MINATIVE BALMAM, and have greater confi-
dence in it than all the other medicines of the kind.
His EXPECTORANT is equally celebrated and
efficacious.
